

Freshwater Boulevard Pavement Rehabilitation Project

State Project L048-0001 Town of Enfield Contract 15-9

Construction Notice Update

October 7, 2016

Updated October 11, 2016

The Town of Enfield Department of Public Works Engineering Office announces that beginning on Tuesday, October 11, 2016, Spazzarini Construction Company will begin work on the Freshwater Boulevard Pavement Rehabilitation Project. The project involves milling the existing pavement, overlaying with hot mix asphalt, catch basin top replacement, construction of concrete sidewalk ramps, select concrete sidewalk repairs, striping, select curb repair and reconstruction of existing driveway aprons from north of Cranbrook Boulevard to Elm Street. The aggressive completion date, weather permitting, is November 15, 2016.

The tentative schedule of work is as follows:

OPERATION	DATE	HOURS
Mill asphalt	10/11	8:30 pm – 6 am (southbound lanes)
Mill asphalt	10/12	8:30 pm – 6 am (northbound lanes)
Full depth patching	10/13 – 10/18	Daytime (one lane at a time)
Partial depth patching	10/19 – 10/25	Daytime (one lane at a time)
Install new catch basin tops	10/19 – 10/25	Daytime (one lane at a time)
Crack seal	10/26 – 10/27	Daytime (one lane at a time)
Paving	10/28 – 11/1	8:30 pm – 6 am
Install sidewalk ramps	11/2 – 11/7	Daytime (one lane at a time)
Install loop detectors	11/8 – 11/9	Daytime (one lane at a time)
Pavement markings	11/10	Daytime or Evening
Final cleanup	11/11 – 11/15	Daytime

In order to complete the work in a safe and efficient manner, only one lane will be re-routed to allow access to businesses, emergency vehicles, mail and other delivery vehicles, etc. Police

officers will be present during the entire project, day work and night work, providing traffic control.

During the time it takes the contractor do the work, the Town requests your cooperation in observing the following:

- ✓ Follow the instructions of the Police Officers.
- ✓ Please inform all employees of the upcoming construction and potential delays.
- ✓ Allow extra travel time.

The Town understands that road reconstruction projects cause inconveniences for the residents, customers and business owners. The Town appreciates your patience and apologizes for these inconveniences. Please visit www.enfield.org/371 for up to date construction information or if you have any questions or concerns regarding this project or this notice, please contact Donald Nunes, ROADS Engineer, at 860-272-3541. Thank you again for your cooperation.
